

GENERAL CONSTRUCTION WORKER

Summary

Is hardworking with years of experience from industry to worksite. Resourceful experience in handling materials, operating machinery and supporting overall team and project needs. In-depth knowledge of compliance mandates governing site and worker safety. Singularly focused on helping crews complete skilled work under deadlines. Efficient in manufacturing and construction along with dedication to getting the job done right. I am punctual in bringing a diligent and energetic approach with years of experience working within teams to complete various projects on-time and under budget. Comfortable lifting heavy machinery and safely operating job-related equipment and tools as well as good communication skills makes me a well rounded candidate for any job.
