Experience

Patient Advocate

May 2017 to Current Company Name 1/4 City , State As a patient advocate, I am responsible for the developing, revising and implementing policies and procedures as needed. Facilitates the patient complaint/grievance process, with positive patient experience. Making rounds to each unit daily, visit all new admissions and also identify patients' needs or issues and then visit the patients to advocate on their behalf. Actively working with unit leaders and staff to assign and assure follow-up action is taken quickly to resolve all issues. Documenting and reporting trends in patient attitudes and /or obstacles to delivery immediate service recovery. Investigates referrals/complaints through review of records and discussion with appropriate individuals in an objective, thorough and tactful manner. Participates in staff and community education on patient rights, the complaint procedure and other related issues as requested. Generate weekly/ end of month reports and track IRIS reports, discharge phone calls reporting back to unit leaders positive/negative feedback. Training, coaching, delegating work responsibility.
