

TEACHER

Summary

Dedicated teaching and counseling educator with 17 of experience.

I have successfully taught English to students, both children and adults, that were new to the country as well as helped and supported them as they assimilated to the US school system and culture. I have also successfully implemented an IB and a regular Spanish curriculum to Middle and High School students with different levels of language proficiency.

During my career, I have implemented the Olweus Bullying Prevention Program, served in LPAC Committees and Student Assistance Programs, administered TELPAS Online Assessments and collaborated with other educators as a TELPAS trainer.

Core Qualifications

- MA Education
